3 Header bag with 8 colors on 1.5mil CPP

## TEMKIN REFRESHING PERSONAL CARE PACKAGING

Boost the consumer appeal of your packaged products with Temkin's full spectrum of printing and creative services. From detailed eight-color printing to metallic films, matte varnish, and in-house design, Temkin offers all of the necessary resources to rejuvenate your packaging and help transform it into your most cost-effective marketing tool.

Production styles range from Pouches and Gusseted Bags to Lip 'N' Tape Bags, Header Bags, and Basket Bags. Whatever your personal care products, Temkin can help you spruce them up with packaging that makes a statement.

---

## IMMEDIATE RESULTS

With 470,000 square feet of production space, four locations, and the capacity to process more than 20 million square feet of material per day, Temkin is specially tuned to deliver high volume orders in industry-leading turnaround times.

---

## HOT ITEM

Overwrap Sheets come with a pre-applied permanent or resealable adhesive strip allowing for easy application and packaging that will hug tightly without being shrink-wrapped.

Clear basket bag with square bottom on 2.0mil BOPP

Flat bag with lip 'n' tape and 2 colors on 2.0mil BOPP

Flat bag with lip 'n' tape and 1 color on 2.0mil BOPP

## DISTINCTIVE STYLE

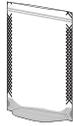

To deliver optimal quality and industry-leading turnaround times, Temkin employs the practice of extensive insourcing.

From design and prepress to plate making, ink mixing, mounting, lamination, printing, and converting, Temkin's in-house production capabilities enable us to guarantee quality and consistency at every step.

## PRODUCT SAMPLING

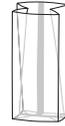

### Pouches

feature a bottom gusset for upright presentation and optional interlocking zippers for a convenient resealable closure.

### Side Gusseted Bags

have expandable pleats which facilitate bulk items and upright presentation.

### Bottle Bags

are a great way to turn a plain bottle into a decorative gift. Choose from clear, printed, or metallic materials.

### Basket Bags

make wrapping baskets effortless. Coordinate basket bags with rolls, sheets, and bags for a unified look.

### Quad Seal Bags

provide a strong square shape for crisp upright presentation with a durable hermetic seal on each corner.

### HD Weld Flat Bags

feature heavy-duty side seals for exceptional strength. Bags are available in laminated and coextruded films.

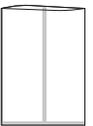

### Side Weld Flat Bags

are great multipurpose bags featuring complete product visibility or up to 100% print coverage.

### Back Weld Flat Bags

have a single fin seal in the back, facilitating clean presentation and easy opening.

### Lip 'N' Tape Bags

are available with either a permanent tape closure for a one-time seal or resealable tape for extended use.

### Header Bags

are available with resealable or permanent lip and tape closures for easy product loading.

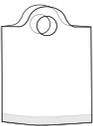

### Grab 'N' Go Header Bags

feature an added handle on a classic header bag for an easy-to-carry package.

### Handle Bags

create a convenient way for retailers to brand products. Easy-grip handles simplify transportation.

### Overwrap Sheets

feature a pre-applied adhesive strip for easy application. Choose from permanent or resealable adhesive.

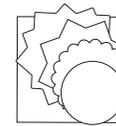

### Info Pocket™ Attachments

can be filled with almost anything. Each pocket has permanent tape on the back for a secure attachment.

### Printed Sheets

are available in hundreds of stock prints for all occasions. Use sheets to dress up a variety of products.

### Clamshells

effectively present a variety of bulk items with their durable rigid structure and versatile molds.

## OUR PROMISE TO YOU

Since 1980 we have distinguished ourselves in the flexible film packaging industry by going above and beyond expectations. Our passion for service, value, and distinction earns the confidence of our customers and is your assurance of a job done well.

THANK YOU FOR YOUR TIME AND CONSIDERATION.  
We look forward to exceeding your expectations.

## THE TEMKIN LEGACY

Temkin International, Inc. has been supplying customers with superior packaging products since 1980 by focusing on the core principles of service, value, and distinction.

Understanding that our greatest successes are also yours, we take pride in helping our clients stand out in their respective industries; providing quality products that reflect the unique brand attributes of the companies they represent.

A legacy of customer service and quality products has earned Temkin its position as a leader in the flexible film packaging industry. As an AIB audited domestic manufacturer with extensive insourcing and impressively fast turnaround times, Temkin not only delivers exceptional quality, but also peace of mind.
